P.A.A.L. (Physical Activity for Active Living)

The PAAL Camp (Physical Activity for Active Living) is a camp designed for children and youth between the ages of 5 and 18 who are visually and/or hearing impaired, physically and/or developmentally delayed. This summer the camp provides many opportunities to be physically active, socialize with others, work on skill development and have lots of "FUN IN THE SUN." Volunteers will be assisting the participants through the various activities during the week which include soccer, golf, tennis, track & field, swimming, nature hikes as well as grass games. For additional information please call Jodi Simpson or Kim Jones – 966-1003.
